## ***Missionary Prayer Requests***

**George & Martha Mixon (Serge/Kenya):** Praise God for an encouraging weeklong reunion with with some of the folks they have trained in chronological Bible storying over the past 10 years. This was one of the most encouraging weeks in ministry they have every had as God's people from 15 tribal groups celebrated all He has been doing through His word. Please pray for the Spirit to move our Bible storying alumni to recommit to the challenging but fruitful work of learning and sharing God's stories and raising up lay leaders to use this medium to carry the Gospel to their neighbors. Pray also for God to raise up leaders to begin another 5 remote pastor training groups this year. Pray for Kenya as national elections take place August 8, may justice and peace prevail. Finally, pray for their son, Nathan, as he begins studies at Covenant College this fall and for Martha and the children as the elections will take place while George is settling Nathan into college.

**Bobby & Teresa :** Praise God for 35 years of marriage this June and ask us to continue to lift up their marriage. Pray for them to listen attentively to each other and to those to whom they minister. Pray for them to trust God for direction, to make wise decisions, and to preach the Gospel daily to themselves and to others. Lastly, pray for more workers to join them in church planting.

**Lars & Kathy Huttar (OneHundredFold/NC):** Praise God for breakthroughs in app development and progress toward completion and release that Lars has been developing for friends around the world to use in disciple making. Pray for completion of this project as well as wisdom in making the app easy to use and usable across a wide variety of phones, regardless of technology skill level. Lastly, pray for the Huttar's girls to know God and love Him with their whole hearts and continue building their faith in Him for a lifetime.

**Aaron & Amy Speitelsbach (NTM/Liberia):** Praise God for Aaron's full health returning and for dry and cooler weather that allowed them to work on their office building this June. They are also thankful for the team from the UK who recently visited. Pray for Aaron's language study as he balances his time between that and completing the new roof before the rains return. Pray for their relationship building with the Glarro people and for their new literary class that began July 10th. This group of 7 has 2 completely illiterate folks as well as others who are literate in English or French to a degree. They desire to see even more join the literacy class. Lastly, continue to pray for a small group of Glarro men (4-5) that will help Aaron translate the Bible lessons into good, understandable Glarro, specifically pray for God to lead 2 local pastors to join this group who may be unsaved themselves.

**Larry & Sandy Rockwell (MTW/Peru) :** Ask you to pray for more opportunities for Larry to meet with the man called "Peqa" and share God's mercy and grace with him. Pray also as Larry pursues Quechua farmers in their fields as they are subsistence farmers with little free time. Pray for gospel fruit among the Quechua people.
