

MYRON STEVES BROKERAGE

Keep Us In Mind For Your Brokerage Property / Inland Marine Accounts!

Just a friendly reminder that we are available to assist you with your brokerage property accounts.

We are targeting accounts with limits of \$2 million and higher.

Target Classes:

Vacant buildings

Restaurants

Mercantile

Warehouses

Hotels/condos

Light to medium manufacturing

Builders risk (incl. rehabs)

Contractors' equipment (incl. oil & gas)

Inner city

Unprotected areas

What's new?

We write account TIV's up to \$100 million and more

In cat-exposed areas, we are targeting single location risks (single or multiple structures)

We will write multi-geographic locations in non-critical cat and non-cat exposed areas

Need layers? We do primary, buffer and excess business

Wind deductible buy-backs available

Admitted carriers available based on risk

What else is new?

Protect your clients by offering Equipment Breakdown Coverage too. Several carriers add this by endorsement.
