

Upper  
Peninsula

Master Gardener  
Association

Teaching Learning Gardening Community

**The U.P. Master Gardener Association presents:**

## Growing Veggies and Flowers

### Unique Farm Infrastructure for the U.P. Climate

- Farm Overview
- Greenhouse Design
- Hoop Houses
- Mulches—Ground Cover
- Solar Irrigation
- Trellising
- Vegetable-Seed to Harvest
- Cut Flower-Seed to Harvest
- Perennial Production
- Future Plans

**Rowan & Shailah Bunce** manage **Rock River Farm**, which was established in 2009.

Both cut flowers and vegetables are grown on this six acre farm. Rock River Farm has become one of the largest flower farms in the Upper Peninsula. In addition, their heirloom and hybrid varieties of produce are used for their catered events, sold at the Marquette Farmer's Market, and sold to restaurants in our region.

**Saturday, May 19, 2:00—3:30**

**Public is welcome! Peter White Library - Shiras Room - 2nd floor**

Members free! Non-members - donation. Refreshments and door prizes!

RSVP appreciated: [linda.andriacchi@gmail.com](mailto:linda.andriacchi@gmail.com) or Linda at 475-6063.
