

**Jim Kelly has retired after 33 years of service to SFDS!**

**Mr. Kelly started coaching boys basketball in 1985 and since then has also coached girls softball and boys baseball. Starting in 1990, he began as a substitute teacher and bus driver becoming the Head of Transportation in 1994.**

**“I spent the last 33 years here because I love working with and coaching these students and athletes”**

**Mr. Kelly has been the Voice of the Pioneers at the boys home basketball games for over 20 years.**

**A life long Cubs fan, Mr. Kelly’s favorite memories involve sports! One favorite game was the night SFDS beat Brother Rice when Nehemiah Barker hit a three point shot from the corner with five seconds left. Another favorite memory was when Mike Kazmarz coached the team to a regional championship. During the Larry Moore era, Mr. Kelly remembers our triple overtime game against Seton – what a night!**

**Mr. Kelly plans to relax, watch the Cubs, visit California and have some fun during his retirement!**

**We will miss Mr. Kelly – thank you for your service!**
