Economic Update

Tony Plath – UNC-Charlotte

2:55 – 3:10 p.m.

Break

3:10 – 4:35 p.m.

WIP Deep Dive

Jim Grabski, CFO Greenberry Industrial
 This presentation provides an in-depth view of the Work in Process (WIP) schedule. The first part of the course covers the basic accounting aspects of WIP – how to calculate, account for, and reconcile costs. Part two explores the perspective of an internal analysis covering cash flow related to jobs, management and analysis tools, estimated costs to complete and projecting future profits using budgeting and forecasting. Finally you will learn the significance of your WIP schedule from the third party user’s perspective and why ensuring its successful performance is necessary to the credibility of your business.

4:35 p.m.
