The Truth about Bats

SLNSC Photo

Bats have been surrounded by myths for years. It is time to learn the truth! A Squam Lakes Natural Science Center naturalist will share the many amazing features of bats such as echolocation, flight, and feeding habits. Learn about White Nose Syndrome, the disease now devastating native bats, and what it means for their future. Meet live bats and be inspired to help protect these misunderstood creatures as we explore the unique roles these nocturnal mammals play in our world.

**THURSDAY, JULY 27 @ 7:30 P.M.
ADMISSION FREE – DONATIONS APPRECIATED**
