

WOULD YOUR DAUGHTER LIKE TO JOIN GIRL SCOUTS?

*For more than 100 years, Girl Scouts has given young women the opportunity to discover their strengths, passions and talents. They help girls build courage, confidence and character while developing important leadership skills.
AND THEY HAVE LOTS OF FUN!!*

If your daughter is in second grade or higher, we have a Pleasantdale Troop for her! Contact Giovanna Imbarrato at imbarrato@comcast.net to receive the Leader contact information for your daughter's age-appropriate Troop.

Though the older girl Troops are going strong, Pleasantdale has had a lapse over the past two years in new Troops forming. If you would like to form a Kindergarten or first-grade Daisy Troop, please contact Giovanna Imbarrato at imbarrato@comcast.net for more information. In order for a new Troop to form, there must be commitment by at least two moms to co-lead the Troop. Being a Girl Scout Troop mom is truly fun and rewarding! In order for your daughter(s) to enjoy the benefits of Girl Scouts, we need moms to step up and help make it happen!

DON'T LET YOUR DAUGHTER MISS OUT!
