

*The City of Nanaimo is a rapidly growing community with a population of approximately 90,000. Nestled between the mountains and the ocean, on the east coast of Vancouver Island, we are centrally located, about 1½ hours from Victoria and 2 hours from Vancouver by ferry. With affordable housing, a university and well-developed parks, recreational, cultural and social amenities, Nanaimo is truly an extraordinary place to live.*

## **Temporary Full-Time Manager Sanitation, Recycling & Public Works Administration (Competition 18-29)**

The City of Nanaimo is seeking a temporary full-time Manager Sanitation, Recycling & Public Works Administration. The incumbent will ensure that productive and efficient services are provided related to street sweeping, street side sanitation, municipal and/or contractor provided solid waste programs and services including residential kitchen waste, garbage and recycling collection, processing and disposal, and the provision of recycling drop-off facilities. The Manager directs and manages the provision of solid waste related public relations and education campaigns. Plans and controls work functions, contractors, volunteers and staff involved in a broad spectrum of programs and services; negotiates and manages service and equipment contracts and is accountable for ensuring services and associated amenities are delivered in accordance with legislated and/or operational and/or contractual requirements, City policy and environmental and safety legislations.

A bachelor's degree in engineering or a diploma from an accredited technical institute in an engineering discipline is required. Applicants must have a minimum of 5 years' experience in project management, budgeting, employee relations, planning and administrative management including extensive knowledge in solid waste, including 3 years' in a management supervisory role. An equivalent combination of education and experience may also be considered.

Applicants must be eligible for membership in the Association of Professional Engineers and Geoscientists (BC) or with Applied Science Technologists and Technicians (BC). Eligibility for membership in Canadian Public Works Association / Coast Waste Management Association is also required. A satisfactory Criminal Record Check is required as well as possession of a valid Class 5 BC Driver's Licence.

This is an Excluded position and a competitive salary is included. It is anticipated that this vacancy will be up to 14 months in duration.

*For detailed information on this position and for more information on our community, please visit our website at [www.nanaimo.ca](http://www.nanaimo.ca)*

Resumes with cover letters referencing the specific competition 18-29 will be received  
**until 4:30 pm on Friday, March 16, 2018.**
