Expanded Polystyrene Disposal Ban – Effective July 1, 2018

You are receiving this notice as you may have participated in or been notified of consultation on an Expanded Polystyrene Disposal Ban for Metro Vancouver.

In October 2017, the GVS&DD Board approved changes to the Tipping Fee Bylaw which included the introduction of a surcharge for Expanded Polystyrene (EPS) Packaging received at Metro Vancouver disposal facilities in garbage loads, if the EPS Packaging exceeds 20% of the weight or volume of the load. The surcharge amount is set at 100% of the tipping fee, and comes into effect July 1, 2018.

Instead of throwing it in the garbage, EPS Packaging can be recycled – local recycling exists for both residentially and commercially generated EPS Packaging in the region. Visit www.metrovancouverrecycles.org for options.

Details on the Disposal Ban are found in the following GVS&DD Board reports, available [here](#).

- Expanded Polystyrene Disposal Ban Consultation Summary and Proposed Implementation Approach (GVS&DD Board Agenda Item E2.1, page 26)
- GVS&DD Tipping Fee and Solid Waste Disposal Regulation Bylaw No. 306, 2017 (GVS&DD Board Agenda Item G2.1, page 228)

An information pamphlet is being distributed to customers at Metro Vancouver transfer stations – view the pamphlet [here](#). Copies may be requested by emailing solidwasteoperations@metrovancouver.org

Thank you to those who provided input to the consultation process.

Questions? Please call 604-432-6200 or email solidwasteoperations@metrovancouver.org.
