#### Financial Review and Commentary

- After a slow pledge revenue month in July, August pledge income rebounded with \$68K in pledges received, \$20K over budget. This brings YTD pledge revenue back to near budget. Pledge statements will be prepared at the end of September and sent to parishioners.
- Historical giving (a component of non-pledge income) continues to lag budget and prior year.
- The St. Michael's preschool presented a \$3K gift to the parish during August.
- Overall expenses were in line with budget and prior year during August. Building maintenance remains unfavorable to budget due to unbudgeted repairs, primarily HVAC and sprinklers.
- Cash is \$48K (all funds). There have been no borrowings on the line of credit. Cash is expected to become tight during September and may result in a borrowing on the line.
- The Operating Fund balance at 7/31 was \$76K.
