## Gracefully Giving with Gratitude:

Michael's Army of Angels provides an example of how we are to live: connected to one another. We are only successful in that we are a "we." We may not be slaying a dragon. But as a parish, there are "monsters" in our midst:

- Concerned about the current Rector search
- Anxious for the future of the parish
- Some of us holding off on financial pledging until "this" settles out

We cannot give in to the monster. The future of our parish and church will be decided by our common faith and our mutual devotion to God and His grace – St. Michael and ALL of his angels.

Excerpted from Rev. Dr. David Cox's sermon September 30
