OUR VISION

We want to **Trust God and Serve Others** by becoming intentional disciples of Jesus. We are on a journey to see our life as the outpouring of God's life, so that day by day we more clearly reflect God's glory, being ourselves made more fully alive, truly human. As such, discipleship is a lifelong, whole-life reorientation which will have challenging implications for our self-identity, our belonging within community, our belief systems, and our daily behavior.
