

Neighborhood Pantry at St. Paul's

The Pantry staff and volunteers wish you a very **Happy New Year** and thank you for all the support you gave our Kansas City, Kansas Neighbors in 2017. We have wonderful, faithful donors who gave food each week. Thank you! And we had a huge response to our fall Food Drive from all our church members, our children, and the Day School. Thank you all! Your generosity truly made a difference in so many lives.

If you are shopping for us this week, these are the items we need:
