

The ELKS Call

Vol. 36, No. 2

Huntsville Elks Lodge No. 1648

June, 2018

Dear Fellow Elks,

As I began writing my message for our June Newsletter, I realized today is Memorial Day. Today is a day we honor all of those that gave their life for this country. Today is a day that we should self-reflect and honor those that gave all the blood, sweat, tears and ultimately their life for us. To make America the greatest country in the world. To make America the strongest country in the world. To give us the liberty and freedom we have today. Today is a great day to be an American and thank those that sacrificed so much so we could have our freedom and liberty.

Today is also a day to understand how much the Elks have played in supporting and celebrating those that have served and sacrificed for this country. Most members nationwide do not understand the heritage the Elks have with our soldiers and veterans. The money that is available through the Elks National Foundation to support these men and women who put their lives on the line for our freedom and survival is an untold story.

Today, I would like to challenge each of you to research the Elks role in supporting our Military and Veterans and how that support led to our philanthropical involvement as an organization. I will give you a couple of links you can Google or use to pull up articles describing such.

These are just a few links of what Elks have done and are doing.

As some of you know Suzanne lost her dad on May 10th, 2018. Harold "Tater" Graham was an Elk for 25 years. He first joined the Florence Lodge and four years ago transferred to the Huntsville Lodge. "Tater" exemplified what an Elk is. He never met a stranger and never refused to offer his help. A lot of you got to know Tater and got to know what a great man he was. He was a fixture in my life and someone I will miss very badly. I cannot describe what he meant to Suzanne. As an only child, her mother and father were her everything. I am proud to say I got to share in their glory. I would like to thank all of you who have shown your support and offered your sympathy for her and our family. Being an Elk reminds us we are a family and, in these days, and times just a little care for one another, respecting each other and knowing each other goes a long way. THANK YOU!!!

Please remember Flag Day. This year we will have our Program on June 9th starting at 11 AM. The program will be held at the Lodge. Lt. Colonel Tom Hartley and his team have put together a great program. This year's Honorary Speaker will be Congressional Medal of Honor recipient Mike Rose. Your support is needed. Not many organizations in this whole country have ever had the honor of listening to the message of such a Hero.

See you at the Lodge...

If you know of anyone that is ill or has had a death in the family, please let Chaplain Bob Richmond know, or the Lodge Secretary. We send our love and prayers to Suzanne Byrom in the death of her Father, Harold "Tater" Graham. Tater will be missed by many at our Lodge as well as the many other lives he touched. FREEDOM GRANT

Well, it certainly has been a busy spring for us at the Lodge. We just completed our Freedom Grant for 2017-2018 and it was well received. Thanks to Ed Limback for spear-heading the project. With this \$2,000 grant, we were able to provide heavy coats, shoes, gloves, and toboggans to several homeless veterans. We also were able to help a "soup kitchen" that feeds these homeless vets. They feed them breakfast, lunch, and then they make them a sandwich to take for dinner. The Veterans are served at the table which has a table cloth and flowers on it. We provided 10 backpacks filled with toiletries (toiletries donated by our members), we purchased sets of dishes, pots and pans, silverware and other kitchen utensils. These kitchen supplies went to a total of 56 Veterans. Our Grant Think Tank is very proud of the services we provided to these homeless veterans. We hope that we will be able to get the grant again for 2018-2019.

SECRETARY NEWS

We started a new Lodge year in April and it is now three months later and we have 122 members that have not paid their dues. Please remember, if your dues are not paid, you may not participate in Club or Lodge activities. You may attend Lodge meetings, but not any other activities inside or on the patio. We have a lot of things going on and we would hate for you to miss out on any of them. There is a large calendar board outside the Club Manager's office and our "Elk happenings" will be posted there. Please check this board for updates to our Club and Lodge activities. Our Derby Day and mini casino was a big hit. Everyone had a great time. We had a small crowd at Karaoke on May 19th, hopefully more people will come out and enjoy the Karaoke on the 1st and 3rd Saturdays of the month 6:00 – 10:00.

GUESTS IN OUR CLUB

Just a reminder that ALL guests MUST be signed in. This is not a Club rule, this is a rule by the Alcohol and Beverage Control Board (ABC). As we are a "private club" guests are required to be signed in by whomever is bringing them into the club. **ALSO – if you sign a guest in, your guest must leave when you leave, no exceptions!**

MEMORIAL DAY

Our Lodge always is honored to "lay" a wreath at the Veterans' Memorial here in Huntsville. Unfortunately, the ceremony was cancelled this year because of inclement weather. Michael Hepler made us a beautiful (reusable) wreath for this occasion. We will however, be using it at our Elks Flag Day Ceremony here at the Lodge and for other Flag ceremonies.

BINGO workers are desperately needed!

With the size of our Lodge membership, we should never be without help on our bingo teams. Bingo is vital to this Lodge in keeping our 501 (c)3 status as well as being able to give away the youth scholarships that we give every spring. Every penny of the bingo money, except the money that is used to purchase more bingo supplies, goes to our scholarship program. We all come into this Lodge and say that we are happy to be here, thank you for accepting my membership and I want to be a part of this Lodge and look forward to working with you. Well SURPRISE, bingo is a part of this Lodge and we need your help. The same few people work week after week and are tiring out. If you would just donate a few hours on a Sunday, every other month (that's 6 times a year), we could get enough workers to relieve the burden on those that have been carrying the load week after week. We NEED callers, concession workers, and floor workers. Please see Braxton Butler or Fred Rodrigue or call the Secretary and let them know that you are willing to help.

THE ELKS AND FLAG DAY

The idea of a Flag Day Service was first suggested by the then Elks Grand Exalted Ruler at the 1907 Grand Lodge Session in Philadelphia. Of the dates submitted for consideration at that time, June 14th was adopted by the session and was called "Elks Flag Day". The following year, in Dallas, the Grand Lodge approved a ritual for the Flag Day ceremony. The 1911 Grand Lodge session at Atlantic City made the observance of Flag Day mandatory for all subordinate Lodges by the adoption of Section 229 of the Statutes: "It shall be the duty of each subordinate Lodge to hold the service known as "Flag Day Services" at the time and in the manner prescribed by the ritual of the Order." It was not until August 3, 1949 that President Truman, himself a member of the Elks, signed an Act of Congress designating June 14th of each year as National Flag Day. Thus, the Elks was not only the first fraternal or veteran's organization to celebrate Flag Day, but had made this ceremony mandatory many years before the date on which the observance became a nation-wide practice by legal decree. Please join us Saturday, June 9th, 11:00 am in the Lodge for our celebration with guest speaker Mike Rose, Medal of Honor Recipient.

Tom Hartley, Flag Day Committee Chairman

IMPACT GRANT

Our work with Farley Elementary School is ongoing. A special thank you to Tom Rathz, Cathy Kulas, John Davis, Billy Carlton, Randy Speegle and Randy Morris for all the hard work they have done. Thank you to our members that dropped money in the "jars" we put on the bar, this helps tremendously. Thanks to the donations from SCI and COLSA, we purchased the trees and shrubs and they have been planted. A special thank you to John Davis and his crew. John was able to use, at no cost from "ROBIN RENTS", an auger to dig the holes for the 6, 30 gallon Crepe Myrtles and the three, 30 gallon Red Maples. He had help planting the trees from Billy Carlton and Tom Rathz, thank you fellows! He also put in a temporary watering system so that the trees will be watered during the summer months. Thanks to Cathy Kulas for setting up and working in the "student reward store" – we will have to restock before fall, students cleaned us out. The planter boxes were delivered, set up and filled with dirt by the "Green Team" of the City of Huntsville and the flowers are planted. The school librarian has ordered hard back books and the e-book that goes along with it. By having the e-book, the student can read it from his/her computer and more than one student can enjoy the same book at the same time. These books will be in the library when school starts again. The cost for these books is \$2,003.67, which comes from our grant monies. We will be asking for volunteers to help us this fall. Farley needs help with tutoring and that is part of our grant stipulation, so be ready to help. **Keep bringing in those plastic bottle caps and teacher supplies as we will be re-supplying the "teachers supply closet" in the fall.**

ROBIN RENTS EQUIPMENT RENTAL (auger)

Our most sincere thanks to these companies for their generous donations to our Farley Impact Grant!

YOUTH RECOGNITION (SCHOLARSHIP) BANQUET

Thank you Tommy Harper, Chairman and your committee of Jack Bean, Jennifer Parks, and Gwenda Hall for your hard work. There were 36 young people that received \$1,000 each and one that received an extra \$2,000 from the Alabama State Association. Athens State also received \$5,000 to be used at their discretion for those students in need. This is BINGO money at work!!!
