

3rd Annual Healing Voices OnStage: Caregivers' Stories

Submit your caregiver story to be woven together with others' stories as part of an original professional theater piece about the caregiver experience.

Short works of poetry, prose, theatrical scenes, memoir and creative non-fiction will be considered. In addition, two pieces will be selected for development into five to ten minute original scenes for the stage.

This project, produced in partnership with Writers Theatre of New Jersey and Premiere Stages at Kean University, will culminate with a professional presentation of selected works as part of New Jersey Theatre Alliance's Stages Festival.

A public showcase will feature readings of selected works by professional actors on March 23, 2018 at the Bickford Theatre at the Morris Museum in Morristown, New Jersey.

Full entry details on reverse. All stories must be submitted by January 16, 2018.
