

WHY WE CELEBRATE?

FOR THOSE WHO HAVE SURVIVED....

THOSE RECENTLY DIAGNOSED...

FOR FAMILIES...THE COMMUNITY.

Tri-State Cancer Survivor Day 2018...Hope Flies High

It's all about the celebration

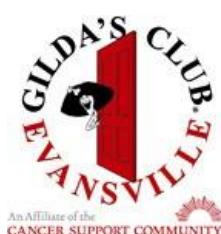

We know the impact cancer brings to our community and we want to help those that have fought or are fighting this disease to know they are not alone. **We want to build an event that gives people a day to celebrate!**

TRAIL OF HOPE

Special recognition of the survivors in our community any one, any cancer, any number of years 0 months to 40+ years. Help us build a trail that gives hope to those just on their journey!
