Cost

\$340 Early Bird due by April 15, 2018

or \$350 after April 15th:

Cost includes two nights accommodation, all your meals for the weekend (*buffet supper Friday night & Saturday night, continental breakfast Saturday and Sunday mornings and soup and sandwich lunch on Saturday*).

\$50 non-refundable deposit is required to hold your
spot and balance of payment is due by April 30th.

Please note: The above price is based on the Rock Maple Retreat accommodation, 2 people per room (one queen bed with one sleeper sofa). Booking one of the chalets will cost more, but split up to 4 ways (or more, depending on size of chalet) will keep cost low. **There are 11 rooms available at the Rock Maple, first come, first served.** All of the accommodations include free wifi & satellite television, a fully equipped kitchenette featuring fridge, microwave & coffee maker (chalets also include stove) and private bathroom, everything you to feel at home! All guests are welcome to enjoy the hot tub, three piece fitness centre & sauna. We are going to be at the top of the gorgeous Fitzpatrick Mountain, so keep in mind the road up to the lodge is a dirt one.

Food and Beverages: The meals are being catered to us through the Smith Rock Lodge & Chalets, as there is no restaurant on the premise. The closest restaurant is a 20 minute drive away, in town. Feel free to bring your favourite candy, chips, chocolate, etc to snack on if you wish. Coffee, tea and water will be available all weekend at no extra charge. There is also fully stocked bar in the lodge, should you wish to enjoy a favourite drink with

your friends (cash, debit, credit card or charge to your room). Soft drinks can also be purchased at the lodge.

*****Remember to please let me know if you have any food allergies or dietary restrictions at time of your registration.*****
