

Entry Intent Form

2018 Local TOBY Awards Program

The Outstanding Building of the Year

Submission Deadline: September 15, 2017

The prestigious TOBY Awards are bestowed as the highest mark of excellence for office building management and are the most all-inclusive program in the commercial real estate industry. All facets of a building's operations are thoroughly evaluated during the judging process by a panel comprised of industry professionals.

The TOBY Awards showcase office building management excellence in building standards, community involvement, tenant/employee relations, energy management systems and procedures, building accessibility, emergency evacuation procedures and training for building personnel. The competition is held in conjunction with BOMA International. Winners of the local BOMA/Suburban Chicago competition may enter in the regional competition and winners of regionals may enter in the international competition.
