Distribution of this information to any person other than the person to whom this information was originally delivered and to such person's advisors is unauthorized and any reproduction of these materials, in whole or in part, or the disclosure of any of the contents, without the prior consent of Ironview Capital Management LLC in each such instance is prohibited. Notwithstanding anything to the contrary herein, each recipient of this summary (and each employee, representative or agent of such recipient) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of (i) Ironview Capital Management LLC and (ii) any of its activities, and all materials of any kind (including opinions or other tax analyses) relating to such tax treatment and tax structure.

An investment in the Ironview Capital Management LLC entails substantial risks, including, but not limited to, those listed below. Prospective investors should carefully consider the following summary of risk factors in determining whether an investment in Ironview Capital Management LLC is suitable:

**Overall investment risk.** Investment in Ironview Capital Management LLC involves a significant degree of risk. There can be no assurance that Ironview Capital Management LLC investment objective will be achieved or that there will be a return of capital. The interests are suitable for investment only by sophisticated individuals and institutions for whom an investment in Ironview Capital Management LLC does not represent a complete investment program and who fully understand and are capable of assuming the risks of an investment.

**Dependence upon key personnel.** The success of Ironview Capital Management LLC depends upon the ability of the key personnel to develop and implement operational strategies that achieve Ironview Capital Management LLC's investment objective. If Ironview Capital Management LLC were to lose the services of certain key personnel, the consequence to Ironview Capital Management LLC could be material and adverse.
