

PTA School Supply Drive

The PTA asked SFES teachers and staff to tell us what supplies they need to help them get through the rest of the year. Below is a list of supplies we hope you will consider donating to SFES. You can bring them to school and give them to your child's teacher any time, or, since everyone will be visiting SFES on March 9th or 10th for parent-teacher conferences, bring along some supplies when you come to meet the teachers!

You can also donate to grades other than the ones your children are in; just indicate what grade or teacher the donation is for when you bring it in.

Kindergarten

- __glue sticks
- __pencils
- __tissues
- __black dry erase markers (also called "Expo")

1st grade

- __glue sticks
