From: Rev. Anne Fisher,

This is an exciting time in the life of Plymouth Presbyterian Church. It is a busy time as we prepare to welcome your new pastor. The pastor's beginning ministry in a church is something in which everyone can participate. Here are few ways in which you can be helpful.

1. **Wear your nametag.** It usually takes at least three times for someone to learn your name. With your new pastor do it three times three times three! If you can't find your nametag let karenkenzie@plymouthpc.org know and she will get you a new one.
2. **Get to know your new pastor.** I know your new pastor will want to hear from you but also listen to hear what he has to say. Discover what is important and meaningful to him. One of the great things about ministry is that no two pastors are alike and good pastors let their personalities shine as they share in ministry with you. Discover what gives him a bounce in his step or a twinkle in his eye.
3. **Participate.** Ministry is not a solitary activity. Your new pastor is making a big commitment disrupting his life and leaving a church that he has known and loved. In order for this new ministry to be a success it will take commitment on your part to actively volunteer. We all win when people step up and step in.
4. **Be patient and grace filled.** Mistakes and missteps will happen. But remember your new pastor believes God is calling him to be with you in this place and time. The Pastoral Nominating Committee who you elected has prayed and worked on your behalf to get to this moment. It does not mean that everything will be perfect or go as smoothly as we like but also remember that in all the rough edges and messiness of relationship and ministry together, something holy is happening and you are part of that.

This is an exciting chapter in the life and times of Plymouth Presbyterian Church! I know good things are ahead.

Blessings, Anne

*God took the strength of a mountain,
The majesty of a tree,
The warmth of a summer sun,
The calm of a quiet sea,
The generous soul of nature,
The comforting arm of night,
The wisdom of the ages,
The power of the eagle's flight,
The joy of a morning in spring,
The faith of a mustard seed,
The patience of eternity,
The depth of a family need,
Then God combined these qualities,
When there was nothing more to add,
He knew His masterpiece was complete,
And so, He called it... "DAD"*

The **FIRST ANNUAL PPC FATHER'S DAY CHOIR** is June 17—We had a blast with the first annual **MOTHER'S Day** choir in May. Now it's time for **FATHERS!** Are you a father? Would you like to be a father? Did a father make a major difference in your life? Are you married to a father? Do you love a father? Do you have a father? You get the idea.

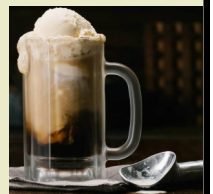

On June 17th, in honor of Father's Day and Father's everywhere, **everybody is invited to come to church a little early, at 9:00 a.m., gather by the piano in the sanctuary, and learn "When the Saints Go Marching In".** We'll sing it during the 9:30 service. It'll be sort of a flash mob. No need to sign up, just show up and sing your heart out to honor your father, husband, brother, brother-in-law, best friend, partner, etc. Hey, it's cheaper than another tie!

A year has floated by since we began our quest, join us to get the scoop on our new Pastoral Candidate Nominee & learn why we fell for him!

LIBERTY COMMUNITY CHURCH

Where Freedom is Proclaimed!

\$10 Cub gift cards needed for Northside Healing Space

Liberty Community Church, (formerly Kwanzaa) houses

Northside Healing Space (NHS) to provide a holistic space based on the values of empowerment, respect, dignity, integrity, community, and hope.

NHS creates a safe space where girls and women who have been exploited by sex trafficking and the sex trade can find rest, a place to think, refreshment and connections to services and support that will get them from where they are now to where they want to be in life. Standing on the front steps of NHS, you are standing one block away from the corner of Broadway and Emerson, on one of the busiest sex-trade corners on the Northside of Minneapolis.

NHS offers trauma support groups, youth violence prevention Workshops, parenting classes, yoga, African Dance and Zumba, and ministry to millennials.

They are collecting \$10 gift cards to Cub to help prevent the need for women to become prostitutes. Please go to <https://libertychurchmpls.org/northside-healing-space/> for more information.

Clearwater Chrysalis 2018 Summer Women's Retreat

Thursday, August 16 – Sunday, August 19

*Optional quilting/gardening work day August 15th

FACING FEAR; FINDING FAITH

There is a sense of anxiety rampant in our world. This retreat looks at women of faith in a variety of circumstances and tries to learn something from their stories. We will look at women from scripture whose lives included the facing of fear and tapping into faith/trust in God that allowed them not only to survive but to confront the powers that be and make their point.

July 4 wasn't deemed a federal holiday until 1870, nearly 100 years after the nation was founded.

Americans consume around 155 million hot dogs on the Fourth of July each year. They also spend \$92 million on chips, \$167.5 million on watermelon, and \$341.4 million on beer.

Happy 4th of July
