**Gratitude** - Church members, Cephas Agbeh and Ine Amachree have recently gone through a health crisis. Many prayers were offered and the results were good. Ine explains that in the African Christian tradition, when prayers are answered one is to bear witness to the fact and to give a gift of gratitude. With their permission, I share with you what the Agbeh family wrote.

"This past year and especially at Xmas, we witnessed the amazing grace and healing power of God. To Him alone be the Glory. He performed his miracle on us as a family. This is our way of saying thank you to God, for what HE has done for us. He is a magnificent, miracle working God. We glorify and bless his name."

I rejoice with Cephas and Ine. Their acts of praise and gratitude move me. God is working in our lives. This week, make time to give thanks and to praise God from whom all our blessings flow!

Blessings,  
Anne
