**From:** Rev. Anne Fisher, Transitional Pastor

**Getting started with the Pastoral Nominating Committee** The Presbytery of the Twin Cities Area's- (PTCA) Committee on Ministry and our Session have approved Plymouth Presbyterian Church to establish a Pastoral Nominating Committee for the purpose of finding one candidate to be the next Pastor for Plymouth Presbyterian Church. Our first task is to offer a slate of members to the congregation to be elected to serve on the Pastoral Nominating Committee (PNC).

Selecting members to serve on the PNC is a task in which the entire congregation engages in prayerful discernment. An effective PNC has members on it with a variety of gifts. Members have a love for the church, a willingness to listen, respect other points of view and have an openness for the Holy Spirit to be part of the process. The search will be divided into two parts. First, the PNC will write the Mission Information Form. That is the church's resume describing to potential candidates who we are, and who we would like to become as followers of Jesus Christ. The Mission Information Form also states the top qualities that the church seeks in a pastor. The second part of the search is seeking, interviewing, meeting and finally selecting one candidate to bring before the congregation for all the members to vote as their new pastor.

As daunting as this may sound, members of the PNC work as a team and receives support from one of the members of our presbytery's Committee on Ministry. The PNC is surrounded in prayer from the congregation. It may seem like a long process, but when it is finished I have heard more than one PNC member say that serving on the Pastoral Nominating Committee is intense, but one of the most rewarding jobs that they have done for their church. - continued on page 2

You may submit as many names of members as you wish and you do not need to seek their permission. All of the names submitted will be invited to an informational meeting to find out what it means to serve on the PNC. The Church Nominating Committee and the Session will present a slate of names to be elected at a congregational meeting.

Blessings,  
Anne

## Sharing Our Faith Securing Our Future

**Building upon Plymouth Presbyterian Church.** The Session has agreed to hold a building fund drive to pay for the principal of our mortgage for 2017. The goal of the drive is to raise \$60,000 through pledges and gifts by **March 15, 2017**. \$60,000 seems rather daunting, however this is how it looks if you break it down by the numbers. If everyone who pledged this year, gave an additional \$100 a month to the building fund, we would surpass our goal by over \$10,000, OR if everyone increased what their 2017 pledge to the church with an additional 25% for the building fund, we would surpass our goal by \$7500. Remember every dollar given to the building fund goes toward the principal of \$881,435 (as of 1/31/2017.)

Every household is unique and some can give more while others cannot, but working together and giving what we can; we can continue to meet our mortgage payments.

This fall, there will be a three-year building fund drive that will keep the mortgage payments current without an annual building fund drive. Every gift to the building fund is building on the future! Please send your pledge commitments to the church before March 15.

### **March is Minnesota FoodShare Month**

In March, food shelf contributions are the lowest, but the need still great. Please bring non-perishable food items (bins in the narthex.) In addition, envelopes will be in the pews for monetary contributions. Food shelves can stretch your dollar(s) up to nine times and purchase exactly what is needed. Please make checks out to ICOP and put it in the offering plate. The Mission Team will deliver donations to IOCP, and they will tabulate them so we can celebrate our generous congregation's total giving.

**Thank You** for the wonderful birthday celebration on Sunday. You took the sting out of starting a new decade of life! Pastor Anne

### **Wanted: Kitchen Angels to Watch Over Our Kitchen**

Where do you usually find the center of a home or community?

The kitchen is the first place to look! Our church kitchen has been the source of much joy and fellowship over the years. We need 2-3 people who can become our Kitchen Angels. The job description is simple: keep an eye on the kitchen to make it is well-supplied and in good order. If you feel called to be on the Kitchen Angel team, please email [fellowship@plymouthpc.org](mailto:fellowship@plymouthpc.org), or see Belinda Hollman, Jan Lillemo or Anne Fisher.
