**Good Stewardship.** Last year building and grounds tackled the lighting in the church. By replacing the bulbs in the sanctuary, and the rest of the building with more efficient LED ones, they have reduced our electric bills for the church. The average usage for our square footage is 23.614kWh while ours was 10.267. X-cel Energy gave us a Good rating (with a little smiley face attached.) Also from January through July we have consistently used less electricity than in 2015.

The church leadership takes the Stewardship of your gifts to God seriously and tries to make the most of it. For 2017 Building and Grounds would love to replace the parking lot lighting making them more efficient. The initial investment would be significant but the return in our stewardship of our resources and those of our world would have long lasting effects.

Each of us needs to be mindful of how we can use the money and resources entrusted to us. As a church, we seek to use your gifts and offerings wisely and effectively as well as using God's creation, respectfully. It is what good stewards do.

*The man who had received five bags of gold brought the other five. 'Master,' he said, 'you entrusted me with five bags of gold. See, I have gained five more.' 'His master replied, 'Well done, good and faithful servant! You have been faithful with a few things; I will put you in charge of many things. Come and share your master's happiness!'*

Matthew 25:20-21 NIV

Blessings,  
Anne

## Mission Ministry - Joanne Mann

*Thank You*

Thanks to everyone for participating in the **Reverse Offering**. We took 322 lbs. of food to IOCP. What a great contribution! Thanks also to the **volunteers at IOCP** on Wednesday, November 29. We had a 18 people and a great time serving our community. Thanks to Joanne Mann for coordinating.

## Mission Contributions for 2016:

**Home Free** - A check for \$204.40 from the 2016 Pentecost offering was sent to Home Free in support of their service to battered women in providing immediate safety and the opportunity to explore alternatives to living with a violent partner. Emergency housing, advocacy and support services are available at the shelter for up to 30 women and their children.

**Scalpel at the Cross** - A check for \$250 was sent in support of their ministry of medical and surgical care to the Peruvian people and the missionaries who serve them. Chad Robran, PPC member, is our direct connection to this ministry as he is an employee who travels to Peru in support of this mission. Their medical services have made a difference in the lives of those who otherwise would have suffered.

**363 Days** (a.k.a. Minneapolis Recreation Development) - \$1,000 was disbursed from the special donation Mission received this year for the purchase of bus tokens. During our 363 sandwich-making event this fall, Allan Law stated their greatest need is bus tokens as it allows those in need to ride the bus for job interviews, doctor appointments or just to have a safe and warm place to be on a cold day. Purchasing the bus tokens in bulk results in a lower price per token which stretches the dollars they receive.

**PRISM** (People Responding in Social Ministry) - \$419.92 was disbursed to this Minneapolis social service agency that helps local families in the northern suburbs during times of financial hardship with food, clothing, transportation & financial assistance. They also operate a thrift store selling donated items at low prices.

~ continued in next column

**Presbyterian Mission** – From the 2016-2017 Giving Catalog, the donation of \$500 will provide: 2 units of water filters that will screen out lead and contaminants; 2 units of kitchen kits consisting of cooking pots, utensils, bowls, cups and spoons to families who have lost everything in a disaster; 2 units of Emergency Life Packs containing a tarpaulin, 2 blankets, 2 jerry cans for water, high-protein biscuits and soap; 2 units of linens and blankets for warmth and safety.

## Pledges Please!

We are proud to announce that we have received 76 pledges to date. Totalling \$269,700. We have surpassed 2016's figures by \$600. IF you have yet to make a 2017 Financial Commitment, it is not too late. Please fill out a Pledge card and put it in the offering plate or in the Financial Secretary's mailbox. **Thank you for your commitment to Plymouth Presbyterian and to God's mission and ministry.**

Fifty percent of the Joy Offering is designated to the devoted and caring church leaders who have spent their lives serving Christ. Through the Assistance Program of the Board of Pensions, current and retired church workers who experience need because of tragedy, health concerns or financial hardship can receive assistance from the church they have served so well. The other fifty percent supports the continued ministry of educating and forming Christian leaders in racially, ethnic Presbyterian colleges. These colleges were founded to educate underrepresented groups so leadership in the church would better reflect the diversity of God's people. The Joy Offering will be received on Sunday, December 18. Please prayerfully consider a contribution to these ministries.
