**From:** Rev. Anne Fisher,  
**Thank you Peter!** Having Peter Hendrickson as our Music Director this past year was a gift. When I arrived last September, it was quickly apparent that Lisa Foland would not be able to come back and the program year was starting. The Worship and Music Committee had done an

amazing job of filling in with guest organists, and had kept the choir going using some of our own talent, but we needed more stability. Peter Hendrickson was the right person who came at the right time. He is now leaving us for new adventures. I will miss seeing his mini car that is always the first to arrive on Sunday morning, his designer eyeglasses, and most of all his playing and conducting the choir. Peter's last Sunday will be October 1st. There will be a reception following worship for all to thank him for bringing us music!

Blessings, Anne

**A time for Bloom** - At their meeting on Monday night the Session unanimously voted to partner with **Bloom Early Learning and Child Care** in forming a satellite sight at Plymouth

Presbyterian Church. The next step is for Bloom to go to their Board on September 21st to see if they are willing to partner with us. The target opening will be either Fall of 2018 or Spring 2019. We are not sure what this partnership will completely look like, but we are willing to walk together with them to meet the needs of children in our community. Bloom's mission is for half of their participants to receive scholarships. The Session is excited to step into this new venture.

### **Presbyterian Disaster Assistance-Hurricane Response Information**

*You shall be . . . the restorer of streets to live in. —Isaiah 58:12*

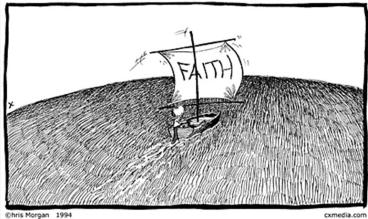

Hurricane Irma, a record-setting storm, is now dissipating, but the devastation is just starting to be known. Members of PDA's National Response Team will arrive in Florida, Georgia and South Carolina this week to provide aid, assess damage, and offer spiritual and emotional care for those impacted by the winds and flooding. While PDA has already been in contact with presbyteries throughout Florida and Puerto Rico, the Church remains mindful of the areas where contact has, so far, been difficult to make. Once the information arrives from the Florida Keys as well as the Caribbean islands nearly wiped from the map, the destruction of this storm will begin to be fully known. There are years of recovery ahead. Will you help extend the hands of Christ by standing in the GAP? — Give. Act. Pray.

**GIVE:** PDA's emergency response and specialization in long-term recovery is fueled by your generous gifts. Designate gifts to: Atlantic Regional Hurricanes DR000194. You can also give with a credit card by Visiting [presbyterianmission.org/GIVE-Irma](http://presbyterianmission.org/GIVE-Irma) or by calling 800-872-3283.

PDA is still in need of support for mucking out and rebuilding efforts in the Gulf region after Harvey. Thank you to those of you who have already directed gifts to (DR000169-Harvey).

**PRAY:** God of help and hope, in the challenging days, months and years to come, work through us to bring relief and respite from urgent need, comfort and the hope of peace for those who grieve the loss of family, home and safety, and faith to walk on through weary days of rebuilding. May we be steadfast in love, stronger than death, and thus, with those whose lives we seek to sustain, together bear witness to your redeeming love.

**Amen.**

**Per Capita:** is part of the glue that holds Presbyterians together as we seek to discern with one another where it is God is leading us. We are in the last quarter of the year which means we need to send our last quarter payment of per capita to the Presbytery. We owe \$33.75 for every member that is on our rolls of December 31, 2015. That means this quarter's payment will be \$2092.50. This is part of being a member of the Presbyterian Church USA. We ask our members to help us by giving \$33.75 per member and mark it as per capita. If you have not yet done so, we would love to have it to help pay our final bill. Thank you!

### Plymouth on Parade

Melody feels this book offers more to discuss than the previous choice.

PASTOR  
NOMINATING  
COMMITTEE

### PPC Pastor Nominating Committee (PNC) Update!

As reported last month, we had 32 initial matches from the PC USA's Leadership Connection (the online matching system). In addition, candidates can self-refer anytime so with those included it brings our total PIF (Pastor Information Forms, aka the job applications) to-date to 49! Several of those candidates were already into late-stage plans of a calling and not truly available to us. Many simply were not a good fit. After the initial matching report and several self-referrals, we ended up with 9 top candidates who stood out. That was whittled down to 5 after some got back to us that they were already called elsewhere. While we work on interviews for those we've already identified as people of interest, we continue to review new ones as they come in to determine if they're a viable candidate to pursue or not. We have conducted four interviews to-date and are looking to schedule a few more as well as follow up on two we've already spoken to on one occasion. A big challenge in this effort is being patient and trusting that God has a plan for us. We continue to stay busy meeting weekly, and sometimes more as we work to schedule interviews.

Please continue to pray for your PNC as we work to find the next vibrant leader for PPC's Pastor to lead us into the next chapter of our ministry!
