

The Real World of Government Contracting and Financial Management

Managing Your Cost System for Government Contracting

In this workshop, participants will learn how to build a framework for their rate structure. Participants will also learn about next steps for costing a proposal and receive guidance on determining their budget needs.

Thursday, March 15, 2018
4:00 PM to 5:00 PM (MST)

ABQid
101 Broadway Blvd NE
Albuquerque, NM 87102

The workshop will cover:

- Owning your proposal and accounting system.
- How do I decide what works best for me and when do I call 411/911?
- What resources are available to help navigate this process?
- Answering government questions.

Stephen Avery is a principal of DCAA Compliance, working out of Albuquerque, New Mexico. Steve enjoys over twenty-five years of experience in government contracting compliance, tax, managerial accounting, and financial management with businesses, large and small, across the United States. His practice specializes in government contracting.

Dr. Krishnamoorthy "Wish" is CEO at Qynergy Corporation and a SBIR/STTR advisor for NM FAST. He directs Qynergy's efforts to develop business opportunities, attract customers and scientists, garner funding and guide technology development. As a NM FAST advisor, he helps small businesses submit high quality SBIR/STTR proposals.
