

# SBIR/STTR Proposal Development Working Session

## Focused Proposal Development Guidance

Are you a small business working on a SBIR/STTR proposal package? Did you submit a SBIR/STTR proposal that did not get funded? Are you thinking about applying for SBIR funding, but need help with your executive summary? Join us for a hands-on working session where the NM FAST team will work one-on-one with you through any element of your proposal.

**Wednesday, April 11, 2018**

4:00 PM to 6:00 PM (MDT)

**projectY cowork**

150 Central Park Square

Los Alamos, NM 87544

The working session will:

- Provide hands-on feedback on any section of your proposal
- Guide you in creating technically-specific and appropriate language throughout your proposal
- Help you integrate reviewer comments for your resubmission
- Work through any questions you have on your proposal

Please send materials you would like the NM FAST team to review to Dana Catron, at [dderego@ad.nmsu.edu](mailto:dderego@ad.nmsu.edu), by **March 28th**. This will ensure the team has time to review documentation prior to the working session.

Please bring all materials for review to the working session, as well.

Brought to you by the NM FAST program and the project Y Cowork at Los Alamos.
