Program: 8:00 a.m. to 4:00 p.m.

FOUR SEASONS

1300 Lamar St.
Houston, TX 77010

On behalf of the Greater Houston Partnership and the *Asociacion de Empresarios Mexicanos* (AEM), we would like to invite you to the **North American Energy Forum in Houston on Wednesday, November 15, 2017.**

This exclusive energy forum will feature business and political leaders from the United States, Mexico and Canada. North America has the structure in place to power the economy of the future and provide its own energy security.

Panelists and speakers will discuss the opportunities and challenges that lie ahead in leveraging the region's vast energy reserves and infrastructure. Luis Videgaray, Mexican Secretary of Foreign Affairs, will address the forum as a luncheon keynote speaker.
