

Dear Councilmember (NAME):

I am a resident of (MT. LOOKOUT or HYDE PARK) and am concerned about the development trends impacting my neighborhood. I have been following local discussions about this issue as well as the work that the Subdivision and Zoning Working Group has been completing over the summer. I have reviewed the proposed enabling legislation (Chapter 1436) and the initial Neighborhood Conservation District Plan proposed for my neighborhood, as well as the Working Group's recommendations regarding their implementation. I am writing to you today to let you know that **I support the Working Group's recommendations, which are as follows:**

- Approve amendments to the City's Zoning Code to add Chapter 1436 (thereby permitting NCDs to be created within City neighborhoods)
- Approve the adoption of the proposed initial NCDs for Mt. Lookout and Hyde Park
- Extend Interim Development Control Overlay District No. 81 to allow the Working Group complete work that is still in progress

**I ask that you support these recommendations as well.**

Sincerely,
