

Oregon Society for Healthcare Engineering  
**Scholarship Opportunity**

**BOC LEVEL I SERIES**  
Portland, Oregon  
**2017**

Oregon Society for Healthcare Engineering is offering a scholarship to a current member of OSHE to the fall 2017 Building Operators Certification classes in Portland area. BOC training is for building operators with two or more years' experience in building operation and maintenance, who wish to broaden their knowledge of the total building system. If you would like to receive a scholarship, read the conditions below and submit this form.

**Why you would like this scholarship:**

**How will this scholarship help your facility?**

**Conditions**

- I. Be a current member of OSHE.
- II. OSHE hereby stipulates that the student accepting this scholarship must attend the classes in the BOC series, complete all requirements of the course and apply for and receive official BOC certification from the Northwest Energy Efficiency Council (NEEC) in a timely manner.
- III. Failure to comply with either of the above conditions will result in an obligation to repay the scholarship money.

I hereby acknowledge that I have read the above and I accept responsibility for complying with the stated conditions of the scholarship.
