

## Fairlee Vacations 2017-2018

### Fairlee Vacation Program Description

Easter Seals provides exceptional services, education, outreach and advocacy so that people with autism and other disabilities can live, learn, work and play in our communities. Participants with disabilities experience safe, healthy and success-oriented recreational opportunities. The philosophy at Camp Fairlee is to provide a nurturing environment with: 1) choice of age appropriate activities; interest and abilities of our participants; and 2)The support which enables all to participate to their fullest potential that supports independence. Our Travel Trip program provides outdoor recreation, fun and friendship in addition to seeing new places for adults with disabilities.

The trips allow parents and caregivers a short interval of rest and relief from the 24-hour responsibility of direct care or service. Travel Trip activities vary by trip and location.

**Check-in** is the evening prior to trip departure between **6:00pm and 7:00pm**. Camp Fairlee cannot accept responsibility for participants before scheduled check-in time. **Check-out** will be the day we return from travel in the afternoon between **2:00pm and 3:00pm**.
