

# Women Golfing Around Creekside Golf Club

From the President  
Judy Hayes

What a wonderful event on June 20th. Thank you all. Over \$10,000 was raised to donate to help end breast cancer. We wish to thank all of our Creekside ladies that played in the charity event and also a huge thanks to those who donated items for our raffle, and the silent and oral auctions. We had so many fabulous items that we almost ran out of room! Our club looked amazing! The course was in great shape, which the ladies appreciated. It was all hands on deck for the Creekside staff. We appreciate each of you for helping make this event memorable. Registration was held outside on our new patio area and it went smoothly. The banquet room looked spectacular in a sea

of pink flamingos, balloons, and pink-clad golfers! Our members and guests definitely enjoyed decorating their golf carts and themselves! Thankfully we didn't have to a select a winner, as we had some very imaginative ladies out there and the task would have been very difficult. Special thanks to our Creekside men who stepped up once again this year to assist with golf club retrieval, course set up, spotters, and flamingo inflators!

It was a beautiful event this year. Hoping next year will be even better!

They seem to just be posted on the MGA calendar. Cheer on our OGA WIP team. Holly scored an additional 10 team points at Red Tail by winning the longest drive award.
