President's Message

Hi Ladies

I hope this finds you well and starting to thaw out! Wow! Sure makes it difficult to get out and play. The WGA doesn't formally have a lot going on during the winter months, but that shouldn't keep you away from the club. One way to stay in the golf mode is to use the Creekside golf simulator. We also have a monthly bingo event.

Please continue to look out for each other during the winter months. ***If you know of someone that is in need of support; emotionally, or other ways, please contact one of the WGA board members. Candye Andrus should be your first contact as she heads up our Hospitality/Outreach Committee. She is hoping to put together a committee to assist her.*** Our opener will be on Saturday, April 22nd this year. Please mark your calendars and plan on being at our breakfast meeting. We will go out and golf after the meeting. We are currently looking for volunteers for our Annual Komen Breast Cancer Golf Benefit. If you are interested, please contact Jeanne Arana or any WGA board member. The event will be Tuesday, June 20th. We want this to be the biggest and best one yet! We currently are bringing our adorable pink piggy bank to all events. Don't forget that she likes to be fed! 🐷 ***I believe we all can make a difference in our club. We only have one chance to make a first impression. Make it count! If you see a lady you don't recognize or know, make an effort to welcome her to Creekside. Ask her if she'd be interested in our WGA. Sometimes all it takes is for someone to show genuine interest in that person and the door is opened!***

Blessings to you all. Stay warm and stay golf fit!

WGA BOARD MEETING**December 27, 2016**

- Present were, Judy, Candye, Laura and Carla
- Judy has submitted the WGA calendar of events to Danny. The only date changed was the opening event which will be on April 22. The later date will hopefully bring better weather and more members should be back in town by then.
- Tuesday captain will be Ellen; Thursday captain will be Maureen with Jeanne as backup for both.
- Laura submitted a reconciliation of the WGA checking accounts. A budget will be done as soon as we have a final tally on the number of WGA members.
- Candye made some suggestions on making the ladies locker room more personable and inviting. Also suggested a bookcase be set up for a member book exchange.
- Eva was approved by the board to continue as the OGA/PNGA representative. She will also continue as the captain representative for the WIP interclub match play and will need a co-captain.
- The Komen Charity event is scheduled for June 20, 2017.
- Judy would like the mailing address of the members included in the handbook along with the email addresses.

The next meeting is slated for January 23rd at 1:00 at Creekside.

*Respectfully submitted by
Carla Bolme, Secretary*

(Submitted by Laura Sales)

I'm told the number of WGA ladies will be up by eight next year!! This is great news and gives us a solid base on which to build our annual budget. When you pay your annual dues, half goes to OGA and half stays locally. We use these funds to finance many of the special touches for our WGA events as well as for payouts on our Tuesday and Thursday play. It's all about including everyone this year, and I am looking forward to a great year!

From the VP

The days are lengthening: Haven't you noticed how light it is as you're outside shoveling snow and ice? The rhododendrons will be in bloom soon (somewhere) and the ground hog will report on Spring. So bust out your clubs and join the Winter League, plan for the Yes We're Open tournament April 1 and 2, and get your friends on our Creekside WGA Facebook page. The Winter League is fun, inside and easy and takes only about 2 hours per round. Since its on the simulator you get some Trackman feedback, too on your swings. Dress for your course and plan for the turn.

Ellen and Candye always refreshed at the turn. I am being cheeky here. ***One goal this upcoming season is to open our arms and welcome new players of all abilities to our WGA. Reach out to us with your ideas.*** I think the new tee times booking on the Club site has helped us see when one another are playing and perhaps join in. Would you be interested in more ways to connect for tee times or practice sessions?

If so, email us at creeksidewga@gmail.com . I check these emails daily.

For the love of golf, Candye Andrus
