Our regatta wants to reserve one SailorBags large duffel that was donated to the Alliance.

By submitting this request for a donated duffel, our regatta agrees to use it:

- as a prize for successful sailing or successful fundraising, or
- as an auction item or a raffle item, or
- in some other manner consistent with our efforts to raise funds and awareness for hospice.
- Please specify how you will use the donated duffel:

We will send you a link to a jpg file of the SailorBags.com logo. Please explain how you will recognize their donation to your regatta:

By submitting a request for a donated bag, your regatta also agrees to distribute SailorBags discount coupons, good for 25% off a single online order, to sailors and other supporters attending your event.

We will e-mail you a sheet of coupons, 8 to a page and ready to print (PDF), for you to print, trim and hand out. We recommend that you distribute at least 160 coupons to your supporters.

Please add the date and e-sign to confirm your acceptance of the donation agreement.
