

# June 2017

Katie's Kids Learning Center

Room 8

## What's going on

Let it grow! This past month we worked on identifying different parts of the flowers. We also made compost; the children helped pickup sticks and leaves to mix together with our vegetable scraps from Miss. Patty. We will be turning the compost every week so we can use it for our garden that we will be planting.

## Up Next!

We are continuing our gardening this month! We will be creating a garden on the toddler playground! We will be planting tomatoes and daisies. We will also be using the compost we made. Parent volunteers are still and always welcome to participate in this project. Please let Miss. Kelly or Miss. Rebecca know!

## June Birthdays

Pranav Chinta

• • •

6/13/15

## Upcoming Events

Father's Day

6/18/17

Saturday Night Live

6/3/2017

5p.m.-10p.m.

SNL will be held at KK2

## Welcome!

- Viha Ramchand
- Sathvik Namburi
- Talia Abouelmagd
