

March Newsletter

Katie's Kids

Room 7

Warm Weather Reminders:

- As the weather gets warmer outside we wanted to remind parents of some things their child may need
- Sunscreen forms at front desk
- Lighter jackets
- Appropriate shoes (in case of puddles outside)

Important Dates:

SNL 4

Parent Teacher Conferences 10

Day Light Savings Time Starts 12

First Day of Spring 20

School Age 27-31

Book Fair 27-31

Construction Highlights

During our construction project we did a "Build a Town" activity. We put two of the tables together, gathered different building materials, people, roads and cars. We also provided pictures of different buildings the students could reference during the activity. They had a great time creating the different parts of the town. Some of

them made garages for the cars, some built parks to play in, others built restaurants to eat at, and some put all the roads down so they could build around them. In this activity they were using their creativity and social emotional skills by working together as a class.

Parent Teacher Conferences

It's that time of year again! Parent teacher conferences will be on March 10 from 9:00 a.m. – 3:10 p.m. We will have a sign up sheet posted The first week of March. If for some reason the times do not work for your schedule, please feel free to talk to us and we will work out another time to

meet. Also, there will be a sheet that you will fill out and turn in before the conference. This will allow us to look at any questions you may have about your child. We look forward to meeting with you and answering any questions or concerns you have.

Coming up: Community Helpers

As we finish up with our construction project we will continue to look at other community helpers. The students have already shown a great interest in police officers, firemen and doctors.

We want to continue to expand their knowledge of who community helpers are

and what they do. For this project, we would like to invite any parents or people we may know to come and talk to the students about their job in the community. Please talk to Mr. Matt or Ms. Katie for more details on that.
