AFRICA

Pray for the Annual Youth Camp taking place in Akwa Ibom state in [Nigeria](#) August 15-19. The theme is "Trust and Obey." Participants will participate in a debate, music competition and Bible quizzing. There will also be services focusing on salvation, reconciliation, deliverance, healing, and prayer. Pray for the leaders and the participants to be open to all the Holy Spirit wants to do during these days.

ASIA

The church in [Nepal](#) will experience increased opposition beginning this week. Pray for protection for our pastors and pray that they will "find another way."

EUROPE

Pray for a team from Ireland who will be ministering in several churches in [Bulgaria](#). Ask the Lord to prepare them with an effective message for these churches. [Al and Diane Mellinger](#) (missionaries to Bulgaria) also ask us to pray for the Lord to provide the furnishings for the St. John's Home for at-risk girls.

LATIN AMERICA

Forty-two leaders from 12 countries and at least 19 Latin American cities were gathered in Medellín, Colombia at the end of July for a Community Church Planting Summit. Praise the Lord for the training, coaching, resourcing and fellowship that took place. Pray that this event will result in a biblical movement of reproducing disciples, leaders and churches to reach [Latin America](#) for Christ.

[Glenn and Wendy Lorenz](#) request continued prayer for their Religious Workers Visas to come through. They have been waiting on this paperwork which would allow them to drive in [Costa Rica](#) without having to leave the country every 90 days.

MIDDLE EAST

Praise the Lord for "H" and "N", two ladies who are finding meaningful work and hope through a livelihood ministry in this region. Pray for their emotional healing from the trauma they have experienced.

FMWM FAMILY

We praise the Lord and celebrate with [Dr. Dale](#) (Middle East Area Director) and his wife Dawn on the birth of their granddaughter, Haley Kay, to their son and daughter-in-law, Brandon and Melanie.

Pray for [Jill Land](#) (missionary to the Philippines) who will have surgery Monday, August 20 to repair the trigger thumb and ring finger on her right hand. This will be an outpatient procedure and she expects to have a 1-2 week recovery time.

INTERNATIONAL CHILD CARE MINISTRIES (ICCM)

Gilson Andrade, Director of the ICCM Mento Santo school in Brazil, has been endeavoring for several years to gain approval from the State of Bahia to offer high school education. This significant opportunity for education is urgently needed in the region, but there have been bureaucratic roadblocks for several years. Pray for the Holy Spirit to open minds and soften hearts of government officials so approval will be given and the plans for the school can proceed.

SEED LIVELIHOOD NETWORK

Pray for new partners for SEED and the SEED team as they plan for broader and more effective ways to help livelihood groups in 2018-2019 and beyond.

SET FREE

[Eden's Glory](#) is a long-term restoration home where survivors of human trafficking are restored. Praise the Lord for one resident who was recently baptized. Pray for women who currently reside there that they will be open to God and His direction for their life. Also, pray for current staff needs to be filled.
