Tuesday, May 1, 2018

LATIN AMERICA

Colombia: Pray for new missionaries [Thad and Nikki Roller](#), who have been appointed to serve in the capital city of Bogotá. They will facilitate the ministry of the Colombian FMC and provide support to its leaders. Their initial assignments include championing the Beehive Girls Home and helping it to become self-sustaining while also learning about the Community Church Planting strategy and supporting its implementation in the Colombian context.

Praise God for new growing church plants in Colombia. Pray for people like Yenni, who are praying in their communities and creating connections with people for the gospel. Colombia is a country in transition and elections will be happening later this month. Pray that God would guide the elections and for peace throughout the entire process.

ASIA

Philippines: Pray for [Darin and Jill Land](#) as they train new leaders for ministry. Pray that these students would grow in their passion for God, the gospel, and the ministries that they are being sent out to do. Pray also for our missionaries and leaders, as FMWM Asia transitions to a new leadership development model.

EUROPE

Hungary: Pray for a new MOPS group that started in Győr on April 11. There were eight moms and their children in attendance. Pray for this new ministry as well as for Sarah and Kati as they reach out to young mothers to join the program.

FMWM FAMILY NEWS

Pray for Trygvar Brauteseth, retired missionary in Johannesburg, South Africa, who has been in the hospital ICU for 10 days. His condition is very serious with several medical conditions including a bacterial infection that is resistant to antibiotics. Pray also for his wife, Anne, and their family.

INTERNATIONAL CHILD CARE MINISTRIES (ICCM)

Praise the Lord for the U.S. churches who are part of a connected community. Pray as relationships are formed between communities that both groups would be blessed by the friendships they are building together.

SEED LIVELIHOOD NETWORK

SEED Director Rose Brewer is in Oregon this week. Pray for her, Nicole (who does communications for SEED), and Rachel (who develops products for SEED) as they meet and begin to implement a plan for the rest of 2018 and beyond.
