## AFRICA

---

[Julie Yerger](#), a missionary nurse at Kibogora Hospital in [Rwanda](#), reports that in July, 101 babies were admitted to the hospital. Pray for strength and encouragement for the hospital staff with increasing patient load. Pray for hospital leaders to have wisdom in decision making. Pray for adequate staff and the resources and supplies needed to care for the babies and other patients.

## ASIA

---

Pray for the Free Methodist Church and the people of [Japan](#) as Typhoon Jebi has made landfall. This is the strongest typhoon to hit Japan in 25 years. Pray that the heavy rains will not cause additional flooding and landslides.

Praise the Lord for the leaders He is raising up to guide the Church in [Asia](#) in the future. Currently, there are nine Free Methodist students enrolled in Asia Pacific Nazarene Theological Seminary (APNTS) in both residential and off-site educational programs, with three more possibly enrolling in January. Pray for [Darin Land](#), FM missionary and professor at APNTS, for the current students, for resources needed in training more students, and for leadership training efforts across Asia.

## EUROPE

---

Pray for the church in Budapest, [Hungary](#) and for new opportunities that are before them. Ildikó has been meeting with the director of the children's home. Pray for discernment in taking the next steps toward the possibilities of ministry there. Also, pray for Pastor Péter as he will have the opportunity to share once a week in a neighborhood preschool beginning in October.

## LATIN AMERICA

---

There are currently seven FM churches and three church planting projects in the [Ecuador](#) Mission District. Pastora Eunice Alvarez, a missionary from Mexico, pastors the church in central Quito and serves as the district leader. Pray for Pastora Eunice who is currently on furlough and Pastora Marinana Mafla who is serving in her absence.

## MIDDLE EAST

---

Because of the ministry started three years ago in a maximum-security prison by two of our leaders, at least 2,700 individuals have been impacted by the gospel of Christ. Pray for these two leaders, the prisoners and family members who have come to Christ, and for the discipleship and evangelism that continues both inside and outside the prison.

## INTERNATIONAL CHILD CARE MINISTRIES (ICCM)

---

Praise the Lord for ICCM supporters who have given to provide Bibles or songbooks to those who don't have personal copies. To have God's Word in one's heart language, available to read anytime, is a blessing.

## SEED LIVELIHOOD NETWORK

---

SEED wants to make the most of every trip, to do the most good for small business ministries. Pray for the final details of their upcoming October trip to come together quickly. Also, pray for the livelihood groups to be encouraged by their visit.

## SET FREE

---

Pray for the Set Free campus clubs in high schools, colleges, and universities who are re-engaging after summer break.

## VISA MINISTRIES

---

Four VISA trips are being planned and will depart from Orlando, Florida following General Conference 2019. We invite you to join other Free Methodists from around the country who will be serving in one of these locations: the Dominican Republic, Haiti, Togo (West Africa) or Miami, Florida. For further information click the link [General Conference Mission Trips](#).
