LATIN AMERICA

Creative Access Country: Pray for leaders and church planters who courageously share the gospel in a hostile environment. Pray for our people who struggle with the basic necessities of life. Praise the Lord for a large shipment from the Spring Arbor (Michigan) Free Methodist Church to help with basic hygiene items.

Puerto Rico: Praise God for all of the work that has been done to support the Free Methodist Church in Puerto Rico. Please continue praying for the church and watch this [video](#) from the Free Methodist Church - USA Board of Bishops.

EUROPE

Bulgaria: David and Jill Sweet will be moving in January from Petrich to Kyustendil. Pray for this time of transition for them. In Kyustendil they will be able to work more closely with anti-trafficking efforts, as well as with the existing ministry to Roma communities.

Greece: Pray for Michael and Maria Long as they work with refugees from Syria, Lebanon and Pakistan. Pray for an Arabic-speaking person to be able to come

alongside them and work with the refugees. Pray also for a recent convert who came to Christ through a connection at the refugee center.

ASIA

Pray for clear indications of the Holy Spirit's leading in identifying 20 new church plant locations in Southeast Asia in 2018.

Pray for Christmas outreach ministries happening all over Asia in our Free Methodist churches: in prisons, slums, and rural communities without Jesus.

Philippines: Matt and Christine Sauder recently announced that they will be having twins! Pray for health and safety for the whole family as they continue serving in the Philippines.

MIDDLE EAST

Creative Access ME: Pray for church planters as they continue to spread the good news of Jesus throughout the region. Pray for continued boldness to stand strong for Jesus in this difficult field.

INTERNATIONAL CHILD CARE MINISTRIES (ICCM)

Pray for the ICCM school directors and pastors who will be attending the 12-week course on justice taught by our partners, Restavek Freedom. Pray that as they learn the material, they would begin to see how they can be instruments of change.
