AFRICA

Nundu Hospital is in the Democratic Republic of the Congo. Dr. Lwabanya Marx has been named Medical Director of Nundu Hospital. He and his wife Christine will be moving from Bujumbura, Burundi to Nundu. Pray for Dr. Lwabanya and the staff at Nundu during this time of transition.

Pray for [Thom Cahill](#) and a guest lecturer from Canada who will be providing instruction August 6-17 at the bible training school in Kenya.

ASIA

Praise the Lord for eleven young leaders who indicated they felt God's call to cross-cultural missions during the Young Leaders Mission Congress in Hong Kong. Pray for these young people to learn and grow toward the implementation of their call. Pray for country leaders as they mentor these future missionaries.

EUROPE

The church in Budapest, Hungary reports the best participation ever at their Film Club event on July 8 and their English and ice cream event on July 11. Pray for new connections to be strengthened with those who attended and for the work of the Holy Spirit in each person's life.

LATIN AMERICA

[Dan and Hope Owsley](#), missionaries to Brazil, encourage us to pray and not lose heart. In recent days, they witnessed the baptism of twelve new Christians. Three of these people had friends and loved ones who had been praying for them for as long as 25 years. Praise the Lord and continue to pray for lost people in Latin America and around the world to come to faith in Christ.

MIDDLE EAST

Praise the Lord for students whose lives are transformed through the ministry of a school in this region. Pray for teachers like Miss "N" who are providing educational, social and spiritual development for the children and giving them new hope for life.

INTERNATIONAL CHILD CARE MINISTRIES (ICCM)

ICCM's seven Regional Coordinators (five in person and two by Skype) met in late July with ICCM Director Linda Adams and ICCM Canadian Director Paula Moriarity at Lighthouse Camp (NY). Praise the Lord for His guidance as they worked on strategic planning for partnering with the global FM Church for the sake of the children.

Government officials in Cambodia are warning that the flooding this year may be more severe and impact areas not previously touched by rising water. ICCM House of Joy, House of Love and House of Peace could be impacted as they are near a long river. Pray for Cambodia and the children and families who are being impacted by the flooding

SEED LIVELIHOOD NETWORK

Continue to intercede on behalf of a livelihood group who is being threatened by someone trying to steal their building. Just this week some of their equipment was taken, and they have overcome this obstacle and gotten it back. Pray they will be able to resume all their work. Pray that God will be glorified, the God who is "Father of the fatherless and protector of widows...[who] gives the desolate a home to dwell in..." (Psalm 68).

SET FREE

Pray for the ongoing efforts of missionary partners, [Chance and Dee Dee Galloway](#), and the local Roma and Bulgarian leaders as they work toward opening the St. John's Home to protect girls from abuse and exploitation.

VISA MINISTRIES

Pray for the Lord to call persons to fill two specific personnel needs in Africa. [Kibuye](#) Hope Hospital in Burundi needs a site manager, and [Kibogora](#) Hospital in Rwanda is in need of someone to coordinate hospitality ministry. The needs could be filled by individuals, couples, or families who would be willing to commit to serving 1-2 years. For further information contact Beth.Cullison@fmcusa.org.
