## ASIA

**Thailand:** [Corey and Connie Persing](#) request prayer for the processing of their new, yearlong visa. They have one week left on their current visa. The Persings live in Chiang Mai and work with local FMC ministries there.

## LATIN AMERICA

**Costa Rica:** Pray for [Glenn and Wendy Lorenz](#) who have been finding ways to serve and minister, even in the midst of attending language school. Pray that God would bless their ministry and their language acquisition.

## AFRICA

**Kenya:** Pray for the Highlands Annual Conference and the Trans African Annual Conference. Pray also for [Thom and Sherry Cahill](#) who are traveling to both of these events. Please continue to pray for peace in Kenya as the newly elected president was sworn in today. Read the [Special Edition Hotline](#) for more information.

## EUROPE

A praise report from Europe Area Administrator [Larry and Katie Winkles](#): The FM Church Leaders Conference went extremely well. From the opening session on the evening of November 15 to the final goodbyes on the morning of November 18, the wind of the Holy Spirit opened windows in people's hearts and lives. 150 key leaders and pastors from Portugal, Spain, France, Belgium, Hungary, Ukraine, Bulgaria, Romania, Greece, former Yugoslav Republic Of Macedonia, Albania, Republic of Ireland, the United Kingdom, and the United States joined together in worship and workshops about the relevance of the Gospel in today's world. (See pictures and read more at [Europe Alive](#))

**Hungary:** Praise God for the growth seen across all ministries in Győr, Hungary! The locations for weekly Bible study and the university group are straining to hold everyone who is attending (14 people at the last university evening, representing five nationalities). God is doing wonderful work in the life of so many young people! [Gerry and Kati McNamara](#) ask for prayer for even more people to come to Christ!

**Greece:** [Mike and Maria Long](#) request prayer for the many refugees they are ministering with. Pray for a special project where they will bring refugee families who are stuck in Athens, up to Thessaloniki for several days for a special Christmas program. Their longing is that this celebration would make a lasting impression in the hearts of the families, so these families would know God loves them and sent His Son as the greatest gift.

## INTERNATIONAL CHILD CARE MINISTRIES (ICCM)

Pray that in the midst of the busy holiday season, events like Giving Tuesday would make a difference in the lives of children around the world! These events help fight hunger, support anti-trafficking initiatives, and provide safe water for life, among other [opportunities](#)!
