FMWM FAMILY NEWS

Free Methodist World Missions (FMWM) rejoices in the approval of 14 new missionaries in the last 14 months (March of 2017 through April of 2018)! Each world area has new missionaries. Our missionaries are anxious to get to the field of ministry and look forward to meeting many of you in your local churches before they leave for their assignments. They are moving out of their homes, selling or giving away many of their possessions, and saying goodbye (temporarily) to those close to them.
