## LATIN AMERICA

**Honduras:** Please pray for the violence in Honduras that began after the presidential election on November 26. As far as we know, Free Methodist members are okay, but the situation is still serious. Pray for peace and safety for our churches and for Honduras, as well as for a great movement of the gospel there.

## ASIA

Pray for the safety, health and leadership of Asia Area Director [Eric Spangler](#) and his wife Virginia. Join them in praying also for the Lord of the Harvest to mobilize workers, identify and empower leaders, and bring millions to faith in Christ across Asia.

**Philippines:** Pray for the children of Project Transformers, a ministry of Kamuning FMC along with ICCM. Project Transformers provides educational support and other social services to children and their parents who live and work in the public market near the church.

## INTERNATIONAL CHILD CARE MINISTRIES (ICCM)

Praise the Lord for the ICCM team in the United States and those serving children in the 32 countries where ICCM has work. Pray they would be strengthened and encouraged in the coming year. Pray especially for those who are serving in creative access countries or working with refugee children.
