**A message from Gerry Coates, Director of Global Church Advocacy:**

Thank you so much for your continued prayers for the expansion of the kingdom through Free Methodist World Missions. Your faithful prayers are the core of the work. Without a strong prayer base, the rest is just motion. But with your prayers, lives are being changed, missionaries supported, country leaders empowered and whole communities being transformed by the power of the gospel of Jesus Christ. We ask you to continue to pray for the Lord of the harvest to send out workers into His harvest field.

## ASIA

**Nepal:** Pray for our Country Director of Nepal, Abraham, as he continues to lead our Mission District of the Free Methodist Church of Nepal. Pray for wisdom as Abraham visits our district leader pastors and gives counsel to their work. Abraham travels extensively around the country and represents Free Methodist work to the many groups and independent churches who desire to partner with FMWM.

**From Asia Area Director Eric Spangler:** Pray for needed resources to support the work in Thailand, Nepal, and Cambodia. Pray as contacts develop in at least three new Creative Access countries and that leaders will hear clearly from the Lord. Pray

for the three rural families in Myanmar that recently committed to Jesus and, as a result, were kicked out of their village.

## IMPACT MIDDLE EAST

Pray for Syrian refugees spread out among many countries. There are many children traveling alone who are at high risk of being trafficked or recruited into ISIS. Also, pray as they endure the winter weather in substandard housing that does not provide warm shelter in refugee camps.

## INTERNATIONAL CHILD CARE MINISTRIES (ICCM)

Pray for the restavek children of Haiti. Praise the Lord for the Restavek Freedom workers who are striving to see this system end in our lifetime. Pray God will help them to stay diligent in the fight against this cultural practice.
