ASIA

Philippines: Please join us in praying for [Matt and Christine Sauder](#) as they mourn the loss of one of their unborn twin girls. The other unborn baby is currently healthy. As they said in their newsletter, "There is one thing we know though: that God is in control; that He has a plan. We completely trust the Lord and it's there where we find hope. We believe that our little girl is now with Jesus and is perfect." You can read their newsletter below for more ways to pray for the Sauders.

Thailand: Praise God for the 22 people who gave their hearts to Christ during a trip that Corey Persing took recently to visit FM church plants! Pray for the work that [Corey and Connie Persing](#) are doing in Thailand and that God would bless the churches there as multiplying churches.

Philippines: [Darin and Jill Land](#) request prayer for their students who will graduate from seminary soon, as they seek the Lord for their ministries. Pray especially for Terence and Ingrid, as newlyweds, to finish their studies and serve as missionaries.

AFRICA

Kenya: [Thom and Sherry Cahill](#) recently visited the Bondeni Church in Eldoret and witnessed several people becoming new members of the church. They also saw more people after the service asking about baptism and becoming members of the church. Praise God! Pray also for the Cahills, as they continue to wait for Sherry's permit to be processed.

EUROPE

Bulgaria: In Bulgaria Easter is celebrated a week later, so this is Holy Week for our missionaries there. Pray for [Al and Diane Mellinger](#) as they join the church in preparing to celebrate the resurrection this coming Sunday. Join them in praying also for the ongoing process and work of the St. John's home for at-risk girls.
