## ASIA

**Cambodia:** Pray for Daniel, the new country leader of Cambodia. Daniel spent a week with missionary, Don Williams, learning about strategic planning and now he has a model plan to apply his knowledge. Daniel will contextualize his training and translate materials into Khmer. He will then share his knowledge with his leadership team and together they will develop a strategic ministry plan for Cambodia. Pray that the church in Cambodia will bear much spiritual fruit in the coming years as a result of this important ground work.

## AFRICA

Art and Sylvia Brown provide pastoral care and support to FM missionaries in Africa. They recently returned from Africa having visited eight missionary families. They are grateful for your prayers as they report they "had smooth connections and holy conversations." Pray for the continued spiritual and physical health of the missionaries and for good working relationships with the national leaders.

## EUROPE

**Hungary:** Larry and Katie Winckles request prayer for an ongoing sermon series leading up to Easter, highlighting conversion stories in the New Testament and personal testimonies. Pray that this series would impact those who hear it and that the transforming power of Jesus would be active in hearts and lives.

## LATIN AMERICA

**Columbia:** Pray for Ricardo and Beth Gomez as they give attention to pastoral formation. They are part of a team that is synthesizing information to create 20 different course manuals for training pastors. They are responsible for reviewing the theological content and graphic design. Pray that they'll have clarity of thought as they engage in this important work. Pray also for the pastors taking these courses that they will diligently learn the material and apply it to their lives and ministry.

## MIDDLE EAST

**Egypt:** Pray for N and M, wives of Impact Middle East leaders, who have been building relationships with girls who bear the tragic physical and emotional scars of abusive treatment. N and M, along with a team of volunteers, have begun meeting with girls in Egyptian villages. The team's goal is to build a special connection that will allow the girls to discuss topics such as sexual assault, spiritual subjects and health awareness. A trained female counselor attends the meetings to share and provide help.

Please pray for these meetings. Pray the leaders will have wisdom and grace as they minister to the girls. Pray the girls will allow the Holy Spirit to bring healing.

## INTERNATIONAL CHILD CARE MINISTRIES (ICCM)

Praise the Lord for the wonderful "Listening Conference" recently held in the Philippines for our Southeast Asia team. Pray that each ICCM leader who attended will be encouraged in the work they are doing and that each one will find ways to apply what they learned.
