AFRICA

Malawi: Pray for the Karonga district of Malawi. Heavy rains caused flooding that washed away buildings and crops, including those of Free Methodist pastors and church members. For more information, go to <http://fmcusa.org/blog/2018/04/17/malawi-flooding-destroys-buildings-crops/>

Kenya: [Ken and Letty Myers](#) request prayer for Pastor Glenn Davis, from Beach Lake, PA, who is in Kenya teaching a module in evangelism and church growth at Kenya Free Methodist Bible School until April 21. Also, the Myers give praise to the Lord and are thankful for the prayers of many. In just six weeks they received their Kenya immigration renewals permits that will be good for another three years. Last time, three years ago, it took more than six months!

ASIA

Creative Access: Pray for believers in these countries that are experiencing increased persecution. Pray for courage, wisdom, and protection. At least one of our pastors was beaten over the Easter holiday.

Thailand: Pastor Joshua will lead a small team to the Thai-Burma border at month's end to construct a church for Pastor Suda. A generous donor gave \$1,000 recently, which will incredibly cover the cost of materials,

local labor, and transportation. Pray for safety and effective ministry for this FMC plant, as it receives a new modest structure in which to worship.

Pray for [Seth and Hlawn Hlawn Van Tifflin](#) and [Corey and Connie Persing](#) as they transition back to the United States in the coming weeks for a brief time of partnership building.

Pray for Country Leaders Abraham (Nepal) and Daniel (Cambodia), as they investigate the possibility of obtaining a United States visa for a visit this June. Pray also for all of the funds necessary to bring them to the U.S. for important partnership building.

Myanmar: Pray for Superintendent Pa Kep who has been sick this week with a bad cold. Pray also for the upcoming Community Church Planting training that will be held in Myanmar in mid-May.

SEED LIVELIHOOD NETWORK

Pray as SEED hires and trains administrative staff. Pray that they would support the SEED team, champion, and volunteer well so that SEED is an even greater blessing to these holistic, small business, ministry groups around the world.

INTERNATIONAL CHILD CARE MINISTRIES (ICCM)

Pray for ICCM children who are living in countries where there is political unrest. Pray God will fill them with His perfect peace.

VISA MINISTRIES

Angela Perez from Lamb's Fellowship Church in Lake Elsinore, CA is leading a team of 3 individuals to Ecuador from 4/11 to 4/23.
