Hundreds of pets are waiting to meet you. So join us.  
And spring into summer with a new little sprout of your own.

Hi, I'm Shayna Dinowitz and I am supporting the Best Friends Animal Sanctuary for my Bat Mitzvah project. Best Friends rescues animals and rehabilitates them so they can be adopted. They are known for taking in the "Michael Vick pit bulls" and finding forever homes for most of them. This organization means so much to me because my dog, Bella, is a lab/pit mix that we rescued three years ago. She's the best dog and I want to help others like her.

You can help by donating until June 5 to Best Friends at [ny.bestfriends.org](http://ny.bestfriends.org) and you can join my family June 2-4 for the Super Adoption at their NYC location at 125 West 18th street.

Thank You!
