## Living Our Calling

Yesterday, members from all the United Methodist Churches in our district (including Memorial) met at Crossroads United Methodist Church in Jacksonville for a "Supercharged" Conference. This gathering included the regular business of Charge Conference as well as a powerful time of worship and celebration of all that God is doing in the North East District. Pastor Carrie Yoder helped with the liturgy commissioning lay servants, affirming lay ministers, and blessing new candidates for ordained ministry. It was a wonderful experience for our members who attended and a great time of fellowship with our district churches.
